

la Cueva SAUVIGNON BLANC

CHILE

U M D

Release Date: January 2022

A true national treasure, this wildly romantic and flirty performance is enhanced by the beguiling use of the kerchief. Its unique balance enchants and captures the essence of La Cueva's Sauvignon Blanc. Ardent, yet shy, La Cueva is beautifully characterized by flavours of peach, stone fruit, and honeysuckle, a pale straw colour, and a fetching medium body. La Cueva is sure to disarm and charm the senses in the most delightful way -¡Olé!

Tasting Notes:

A fresh, lively wine with beautiful floral, and grassy aromas - its undertones of peach, and other stone fruits, provide a delicious mouth-feel with a refreshing finish.

Food Pairings:

Complements seafood dishes like sea bass ceviche, or a pastel de jaiba crab pie, and Chilean-style chicken corn pie.
