Malted Beers made from extract direct from Australia

Light Lager – Straw Colour with golden hues and a lacy white head. Light floral aromas follow through on a light to medium bodied palate with subtle malt and hop flavours and a clean finish. An Australian Lager style with plenty of character. **IBU 390 alc. 5%**

Draught Lager – Light yellow-gold colour with a tightly packed white head, floral nose with a hint of malt, medium bodied palate with delicate hopping and a slightly bitter finish. The most discerning draught drinker will appreciate this beer. **IBU 420 alc. 4.6%**

Blonde Lager – Pale straw colour. Crisp pale malt aromas with a hint of spicy hops, clean pale malt flavours and a light-bodied palate that finishes with obvious hop bitterness. Perfect for summer drinking. **IBU 420 alc. 4%**

Pilsner – It's golden in colour with subtle malty sweetness and elegant refined herbal notes, a refreshingly clean, crisp bitter finish and rich frothy head. **IBU 490 alc. 4.1%**

Mexican Cerveza – Emulates the style of the finest quality Mexican Beers. Light in style with a fresh, clean taste. Ideally, serve with a wedge of lime or lemon. **IBU 325 alc. 3.8%**

Malted Beers made from extract direct from Australia

Real Ale – Displays a solid head and a distinctive, full-bodied flavour enhanced by a soft, fruity character. A true ale in style and colour. **IBU 560 alc. 5%**

Dark Ale – Rich Mahogany colour and a creamy head. Roasted malt aromas with a hint of chocolate, generous mouthfeel dominated by roasted malt flavours, sufficient hop bitterness to give balance and a dry finish. **IBU 590 alc. 4.54%**

India Pale Ale – Early records of “Cooper and Sons” producing India Pale Ale can be found in the South Australian Advertiser, dated February 1868. Thomas Coopers IPA (India Pale Ale) produces a beer with all the hallmarks of a genuine IPA from the “motherland”. A strong ale with robust malt characters, high bitterness and overt late hop (styrian golding) aroma. **IBU 830 alc. 4.2%**

English Bitter – Made using aromatic hops and more malt than other beers it has a strong refreshing flavor which has made it a popular choice among those who appreciate quality old-English styled beer. **IBU 620 alc. 4.1%**

Stout – Dark brown colour with a persistent head resembling espresso creamer, a blend of coffee, chocolate and grain aromas, exceptional mouthfeel and dark malt characteristics. The combination of malt tannins and hop bitterness results in a dry finish. Can be consumed young or cellared for a number of years with excellent results. **IBU 710 alc. 4.2%**
