Majority of McBarleys made on premise wines are crafted to make 23 litre's or approx. 30 Bottles

The grape juice concentrate is added to the “Cowichan Valleys” finest water and then crafted through various production cycles until we call you to bottle your finished product.

Prices include ingredients, service fee and applicable taxes, payment is made in full before we can start production.

Customers are responsible to start fermentation and bottle the finished product.

Wine bottles are provided at a discounted price to all **NEW** customers – ask for details!
